

# Certificate of Zero Waste to Landfill

This is to certify that

**Brook Taverner Ltd**

Has:

- Evidenced duty of care and a robust audit trail for end-of-life materials
- Achieved 99.59% diversion from Landfill waste practices at the Keighley site, with recycling rates of 83.42%.
- Set a limit for waste sent for Energy from Waste (EfW) at 15%
- Agreed to a 2-5-year plan to reduce EfW rates, particularly for Head Office, by 1% per year.
- Set goals for continued movement up the waste hierarchy focusing on textiles reuse and potential for logistical material reuse.
